SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with applicants' duty of disclosure under 37 C.F.R. §1.56, we are enclosing form PTO-1449 listing information that may be material to the patentability of this application, filed August 13, 2000. We are also enclosing a copy of each of the following U.S. patent Nos. 5,814,039, 5,840,008, and 5,855,563.

It is applicants' belief that none of the above U.S. patents describe that which is claimed in the present invention.

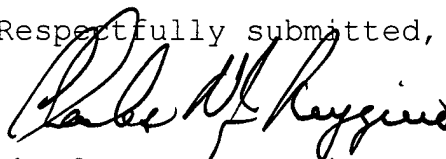

It should be understood that attention has been called to the U.S. patents that have been deemed to be pertinent to the claimed present invention. In concluding what was pertinent, the

criteria employed was considered most appropriate in light of the invention shown in the present application. However, the Examiner or others may deem some other criteria to be just as appropriate or more appropriate. Therefore, the Examiner is respectfully urged to review the listed U.S. patents and to make the usual careful independent search for other prior art that may be pertinent.

Since this Information Disclosure Statement is being filed in response to an international search report that issued on June 21, 2000, no petition or fee is required.

Applicants' respectfully request favorable consideration and that this application be passed to allowance.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Charles N.J. Ruggiero", is written over the typed name.
